Education

UC Berkeley B.S. Electrical Eng. and Computer Sciences

Aug 2014 - May 2018
3.5 GPA

Relevant courses include User Interface Design, Computer Programs, Data Structures, Algorithms, Discrete Math & Probability, Artificial Intelligence, and Internet & Networking.

Skills

Design

Focus on prototyping, web, and interaction design. Experience with research, user testing, and visual/motion design.

Tools include Sketch, Figma, FramerJS, Principle, Adobe CC.

Technology

Focus on frontend development - HTML, CSS/SASS, React, and jQuery, with some experience with backend frameworks like Rails.

Hobbies

Running (the Berkeley trails!), landscape photography, dim sum, House of Cards, Daredevil, Ultimate Frisbee. I also love Pembroke Welsh Corgis.

Experience

Spotify Product Design Intern   *Summer 2016*

Intern on the Creator team, which builds products to connect artists and fans. Conducted design sprints, user testing, delivered visual and interaction designs. Projects include data visualization, ad campaign dashboards, and redesigning artist playlists.

Blueprint Project Leader   *Sep 2015 - Now*

Blueprint (calblueprint.org) pairs with Bay Area nonprofits to build apps for social good, pro bono. Led design and frontend eng. for multiple nonprofits, including:

• Bizworld.org: a teacher portal to administer quizzes, and register and manage over 10,000 students. Designer and developer.

• Re-Plate.org: a marketplace for people to post food donations for others in need. Project leader and designer.

Gradescope Design & Frontend Intern   *Summer 2015*

Designed and tested interfaces for test creation and code auto-grading. Implemented help center in jQuery, sitewide mobilization. 6 person startup, worked directly with CEO.

Teaching

User Interface Design Instructor   *Aug 2016 - Now*

Student instructor for User Interface Design (CS160), where I taught weekly sections, developed course material & studio activities, and held office hours.

Web Design Decal Instructor   *Dec 2014 - Now*

Head instructor for student-run web design class at UC Berkeley. Led TA group, organized lectures and homeworks. 800+ applications per semester, average 4.9/5 class rating.
